

Dear Dotty,

There are not enough words to thank you for helping Rachel through her checkup & cleaning with you! I was amazed at how well you talked her through each step of the process & how well she responded to you. You were awesome. You have a gift; thanks for sharing that gift with us 😊! Now... on to the sealants! Let's hope that goes as well. You are an angel to Rachel... here to help her through this obstacle in her life.

See you in a month for our
next adventure! 😊

With much sincerity & gratitude!

Kim
